#### **Sioux Chief is an American Manufacturer**

Sioux Chief is a leading American manufacturer of rough plumbing products located in Kansas City, Missouri. We develop and manufacture some of the most diverse and innovative plumbing products in the country.

We focus on product innovation initiated by field research and interviews with plumbers, engineers, code officials and distributors. We're able to turn ideas into products quickly because we design and build our own machines. This also allows us to control manufacturing costs and minimize down-time, providing consistent, reliable value to our customers.

Our primary purpose as an American manufacturer is to provide better value to the professional plumbing and mechanical contractor by offering top-quality, innovative products with superior customer service. Our goal as an American innovator, is to make plumbing installation easier, more effective, and more efficient.

We strive every day to meet the demands of the rough plumbing industry with innovation, quality, and the American spirit.

#### Making it in America – Since 1957

American manufacturing generates almost 11% of the U.S. gross domestic product. It accounts for 60% of our exports and employs nearly 12 million people. 70% of U.S. dollars spent on research and development come from the manufacturing sector.

Sioux Chief manufactures more than 90% of the products we sell, employing more than 500 American workers in the process. We design, build and maintain all of our own copper tube forming tools, machines, plastic injection molds, packaging, cleaning and testing equipment as we produce the highest quality American-made plumbing parts.

Buy American when you can. We all succeed when you do!

# **Trench Drains**

FastTrack<sup>™</sup> System

HydroTec<sup>™</sup> System

HydroBlock<sup>™</sup> System

HydroLine<sup>™</sup> System

# **Trench Drains**

# FastTrack<sup>™</sup> System

Sloped and neutral channels made from engineered high-density polyethylene. DIN EN load ratings from A15 to D400. Designed in accordance with ASME A112.6.3 Standard for Floor and Trench Drains.

# HydroTec<sup>™</sup> System

Sloped and neutral channels constructed from reinforced concrete with integral edge rails. DIN EN load ratings up to F900. Designed in accordance with ASME A112.6.3 Standard for Floor and Trench Drains.

# HydroBlock<sup>™</sup> System

One-piece ductile iron channel and grate system designed for heavy loads and high-traffic areas. DIN EN load rating up to F900.

# HydroLine<sup>™</sup> System

Low-profile, one-piece channels made from ductile iron or aluminum lock into concrete slab for heavy-duty traffic. DIN EN load rating up to F900

## **Pre-Sloped System**

## Large-Capacity System

FastTrack<sup>™</sup> channels are tough, lightweight, and chemical-resistant. Channels include integral rebar clips, grate anchors and bottom outlet.

Multiple grate options available for applications from pedestrian traffic to heavy-duty loads.

## HydroTec<sup>™</sup> Maxi

## HydroTec<sup>™</sup> Top

HydroTec<sup>™</sup> trench drain systems are constructed from fiber-reinforced concrete channels with integral ductile iron (Maxi system) or galvanized steel (Top system) edge rails. Grates are available with bolt-less locking feature or 'F1' locking option.

Highly stable and suitable for a variety of applications, with load ratings up to F900.

# HydroBlock<sup>™</sup> System

## HydroBlock<sup>™</sup> 100

HydroBlock<sup>™</sup> 150

HydroBlock<sup>™</sup> 200

## HydroBlock<sup>™</sup> 300

One-piece ductile iron channel and grate system designed for ultimate durability and rattle-free operation.

Sections join together easily with no fasteners - joints are water-tight and anti-torque. One-piece design is perfect for heavy loads and high-traffic areas.

# HydroLine<sup>™</sup> System

The HydroLine<sup>™</sup> is a unique, ultra-low-profile system designed for fast/easy installations or height-restricted applications. Rib-design channels made from ductile iron or aluminum lock into concrete slab and stand up to heavy-duty traffic.

The system is low-maintenance and perfect for covered parking areas or thresholds to prevent surface water cross-over.

#### 1 cubic ft of water weighs 62.41 lbs. 1 cubic meter of water weighs 100 kg. 1 gallon (US) of water weighs 8.335 lbs. 1 liter of water weighs 1 kg.

Copper water tube and copper sweat fittings are referenced by their nominal (nom) size, which approximates the inside diameter (I.D.) waterway of the tube (1/2" nom, 3/4" nom, etc.).

Compression fittings are referenced by the outside diameter (0.D.) of the tube they connect to (5/8" 0.D., 7/8" 0.D., etc.).

Copper water tube is manufactured in accordance with ASTM Standard B 88.

# Sioux Chief Manufacturing

#### Limited Lifetime Warranty

#### Warranty

Supply

Drainage

Sioux Chief Mfg. Co., Inc. ("Seller" or "the Seller") warrants its products to be free from defects in material and workmanship under normal usage for the lifetime of the plumbing system in which they were originally incorporated. In the event of such defects within the warranty period, the Company will, at its option, replace or recondition the product without charge. This remedy shall be effective only if the product was installed in accordance with supplied instructions, common installation or use practices and existing building and plumbing codes and was at all times used in a manner consistent with its intended use; was at all times used in installations and environments acceptable to its material and design specifications; or any express conditions or requirements laid out in company installation instructions, manuals, tech bulletins, special labeling, precautions, as well as other instructional documents and product limitations of use; was never modified, altered or repaired by anyone other than the Seller; was properly subjected to and passed common testing methods (including

pressure testing for potable water and drainage systems)

immediately after the product's installation and before the

temperatures or excessive heats outside normal working or

to or exposed to direct or indirect chemical exposures; was

degradation (including UV exposure, brackish water, acidic

water (pH <6.5), alkaline water (pH >8), contaminated soils,

subjected to improper protection during installation and was

subjected to water pressures and flow conditions outside the

aggressive water conditions (during testing, through stagnation

working limits of the product: was not subject to adverse or

warranty)) and where any express water condition included

within company documents is avoided; and all handling was

performed in a manner consistent and known to the industry

manuals, etc. In addition, Seller shall not be responsible for any

incidental, special or consequential damages, including without

or within service life (where service-life is defined by this

or taught through company documents, labels, websites,

limitation, lost profits or the cost of repairing or replacing

other property which is damaged, other costs resulting from

labor charges, delays, vandalism, negligence, fouling caused

by foreign material, chemical or any other circumstances over

which the Seller has no control. This warranty excludes all costs

arising from routine maintenance, including the replacement of

any parts required by such maintenance and the replacement

of parts required by normal wear and tear. The Seller also

reserves the right to modify, alter or improve its product, or

parts thereof, at any time without incurring an obligation to

thereof, previously sold. If, on any occasion, Seller waives

notify or modify, alter, improve or replace any product, or parts

any term or condition, this waiver is not to be construed as a

of the original plumbing system is defined as the lesser of 25

years or the time before the plumbing system was replaced or

moving parts are excluded from the limited lifetime warranty

and carry a 3-year limited warranty, subject to the remaining

terms, conditions and limitations of the warranty. Some States

do not allow or have other parameters governing limitations on

allow the exclusion or limitation of incidental or consequential

damages. This Limited Warranty gives you specific legal rights,

rights. THE WARRANTY SET FORTH HEREIN ABOVE AND BELOW

legal requirements; has not been subjected to misuse or abuse;

#### Terms & Conditions

All sales are subject to the Standard Terms and Conditions set forth on Sioux Chief's website at www. siouxchief.com. These terms include the following:

#### Return Merchandise

No merchandise can be returned without Seller's prior written authorization. All returns must comply with the guidelines established below

#### **Return Merchandise & Warranty Service**

In order to return product/merchandise or receive warranty service, Buyer must first obtain a Return Merchandise Authorization ("RMA") by contacting Seller using the following information:

MAIL: Customer Service Manager Sioux Chief Manufacturing Company, Inc. 14940 Thunderbird Road Kansas City, Missouri 64147 PHONE: 816-425-9900 / 1-800-821-3944 FAX: 816-348-7502 / 1-800-758-5950 EMAIL: info@siouxchief.com

#### **Return Merchandise Procedure**

All merchandise returns and warranty claims are subject to the following general terms and conditions: RMA requests must reference Seller's order number,

invoice number or the customer's P.O. number.

Minimum return amount must be \$250 net value per purchase order.

Product returns can only be made within twelve (12) months of the original invoice date of the product to Buyer.

Seller reserves the right, at its sole and absolute discretion, to reject an RMA request for any reason at any time.

In order to be received and accepted by Seller, all returned product must be in whole multiples of the Minimum Quantity listed in the current Price Index and material must be in its original packaging with manufacturer's seal intact.

Products which are being phased-out, are obsolete, or were special-order (custom) are not considered normal stock. These items are non-returnable and nonrefundable, except in the case of a manufacturer's defect.

Buyer will be charged 25% of the applicable return price for product restocking. For Drainage items having one or more listed option, Buyer will be charged 33% of the applicable return price for product restocking, and will apply to canceled orders that have been entered but not shipped.

An RMA is invalid 90 days after its date of issue.

Seller will only supply product credit for a product return or warranty claim. Issuance of an RMA does not authorize the Buyer to deduct the value of the returned item; once product is received and accepted by Seller, Seller will issue a credit memo for the returned product when applicable.

All product returns are subject to inspection and acceptance by Seller at its discretion.

Seller reserves the right to deny, nullify or cancel an RMA at its discretion.

Product returned without a Return Merchandise Authorization number will be destroyed without credit.

Seller shall not be responsible for shipping errors and shortages reported 5 days after receipt of material.

Seller shall not be responsible for shipment shortages that are signed for as clear. Any shipment that appears to be damaged in shipping must be noted when signing for receipt of delivery.

#### **Full Freight Allowance**

Sioux Chief will pay freight on all orders to single destinations totaling at least \$4,000 Net to locations within the 48 contiguous states (United States of America), at least \$7,500 Net to locations within Hawaii, Alaska, and Puerto Rico, and at least \$3,500 CAD Net to locations within Canada. Sioux Chief will pay freight on HydroTec<sup>™</sup> and HydroBlock<sup>™</sup> trench drain orders of at least \$5,000 Net to locations with the 48 contiguous states.

#### Warranty Procedure - Product & Property

All claims for property or other damage are subject to the following additional terms and procedure:

If there is a warranty claim on a part that involves property or other damage, Seller should be contacted by phone or in writing directly following the loss, and in no case later than 15 days of the date of alleged claim or failure and before any remediation or alteration of the loss site has been started; any notice beyond this time frame or after work has taken place to repair or change the loss site will materially affect the Seller's ability to adjudicate the claim and will void the warranty.

The product in claim and/or its installation should not be modified before review by Seller; alteration of the alleged product or installation materially affects the Seller's ability to establish fault and voids the warranty.

Request a claim form. Submit the completed form to the Seller. Claimant will receive an INC (incident) number from Seller.

With the INC number, claimant should submit the claim form, including the date of the installation, description of problem, damage, pictures of the product, and repair invoices. This information should be sent to the above address at claimant's expense. Seller will not receive or process a claim without an INC number.

Seller will contact claimant with next steps, which may include a visit from a site investigator or other representatives of Seller, as Seller reserves the right to investigate all alleged loss sites.

#### **Processing of Orders**

All orders are processed immediately upon receipt and acceptance by Seller. Seller reserves the right to charge back to Buyer costs incurred from order cancellations or changes, and to consider additions as separate orders.

Unless provided in writing by Seller, any dates and/ or times quoted by Seller for the delivery of any goods or the performance of any services are estimates and Seller will not be held responsible for any delay. Buyer's receipt of goods or acceptance of services shall constitute a waiver of any claim for delay.

If Buyer requires expedited shipment of "in stock" goods prior to stated lead times on said order, Buyer will be charged \$100.00 (USD) for any 'expedited' shipping on items up to \$1,000.00 (USD) net, and \$100.00 (USD) + 2% of net for any 'expedited' shipping on items over \$1,000.00 (USD) net.

#### **Price Changes**

All prices quoted from time to time by Seller are subject to change without notice up to time of shipment. Invoice totals and discounts will be calculated out to the sixth decimal digit.

If Buyer fails to give written notice of objection to Sioux Chief's order confirmation within ten (10) days after Buyer's receipt of Sioux Chief's confirmation of the purchase order, the order confirmation pricing becomes binding.

#### **Minimum Order Quantities**

A 20% surcharge will be applied to any item not purchased in multiples of the stated Minimum Quantity, except on drop-ship orders.

Items with bold Minimum Quantities in the Numerical Index (back of catalog) can never be broken. PEX tube bundles (sticks) may only be included on orders of \$40,000 Net or more. In addition, PEX tube bundles (sticks) must also be ordered in a minimum quantity of ten (10) or a \$100 surcharge will apply to the line item. Coils may be ordered in any quantity, and on orders of any amount.
